

CUBE VAN, BOX TRUCK & ENCLOSED TRAILER ALUMINUM PRODUCT GUIDE

WHY CHOOSE WESTCAN PRODUCTS?

Westcan Manufacturing is a family-owned and operated business with a focus on creating high quality products which offer great value to you, our customer.

Westcan products are high-quality, affordable, and made to outlast your vehicle. All products are manufactured with precision and care at our primary facility in the Pacific Northwest, then warehoused on-site so that we can provide you with the fastest possible turnaround

time. Do you have any questions about the product or your vehicle? We have a team of excellent customer service representatives available during our operating hours to help you out!

We stand behind the quality of our aluminum van storage solutions. Our commitment to customer satisfaction means you can trust us to deliver top-notch products.

INTRODUCING PACKOUT HOLDERS FOR MILWAUKEE

Revolutionize the way you organize and transport your tools and equipment with Westcan's aluminum **Packout Holders**. Designed in various sizes and configurations exclusively for Milwaukee Packout™ parts, our packout holders offer a seamless integration into your van setup.

With their robust construction and sleek design, the packout holders not only optimize space but also enhance the professional look of your van interior.

No matter the dimensions or layout of your van, we have the perfect solution to optimize your storage space and keep your gear organized.

Whether you're a tradesperson, a DIY enthusiast, or a contractor, Westcan's packout holder storage systems are built to endure the rigors of the job site.

All Bin Shelving units come with 12" deep shelves to accept Westcan's Red Bins.

Features & Benefits of Aluminum Shelving Units

- Shelf decks are constructed using a durable 1/2"- thick honeycomb textured phenolic plywood base with extruded aluminum lips
- All aluminum Westcan shelving units are Carb II compliant
- Load rating of 55 lbs per linear foot up to a maximum of 250 lbs per shelf
- Various accessories are available to customize your shelving
- End panel shelf mounting locations are spaced 1/2" apart

Red Plastic Bin Packages

Westcan offers red plastic bin packages designed to fill each 12" deep shelves based on shelf length and bin width. These bins are sold separately – *See page 7 for more info!*

Save Time by Using Your Space Wisely!

Don't waste your time and energy sifting through a messy cargo area to find that one tool you just had!

To avoid headaches and stay organized, shelving is a must. Choose between shelving units that include a two to six shelf count and add on a floor retainer lip so that you can maximize use of your available space.

Need even more shelving? Just order additional shelves to create your perfect fit! All aluminum shelving units come with pre-drilled accessory mounting holes on the end panels so that you can easily install compatible Westcan shelving accessories. *See page 8 for more info!*

Accessory Mounting Holes

All aluminum universal Westcan end panels come complete with several sets of punched holes useful for quick and easy mounting of accessories such as cylinder mounts, straight and swivel hooks, and literature storage. [See page 8 for more info!](#)

Square Shelf Mounting Holes

Every 10th hole on Westcan's universal end panels are square. This allows you to be able to more easily keep track of your desired mounting points for your shelf decks so that each shelf deck is level upon installation. All shelf mounting holes are spaced 1/2" apart.

Drawer Cabinets

Westcan offers a wide variety of drawer cabinets to suit your storage needs! Whether you require in-shelf or standalone storage, we've got an option for you. All drawer cabinets are manufactured using marine grade aluminum and are fitted with ball bearing drawer slides for consistently smooth drawer usage. Westcan's aluminum drawer cabinets come with individual locking drawers and removable aluminum dividers. Need even more storage? Add a top tray for extra storage!

- Large single drawer units 40-1010, 40-1020, 40-1030, 40-1050 rated at 350 lbs.
- Available in premium heavy-duty keyed locking rated at 100 lbs per drawer.
- Light-duty drawer cabinets non keyed locking rated at 20 lbs per drawer.

ALUMINUM FOLD UP SHELVING UNITS

Features & Benefits of Fold Up Shelving Units

- Easily folds up to make room for larger cargo or to stow away when not in use
- Maximum load rating of 55 lbs per linear foot up to a maximum of 250 lbs per shelf
- Shelf decks are constructed using a durable 1/2"-thick honeycomb textured phenolic plywood base with extruded aluminum lips

Did You Know?

When building your own fold up shelving unit, please be aware of the depth of your shelves so there is enough clearance to stow in a fold up position.
